

THE LOT PROJECT HOMELESS MINISTRY

2024 CHRISTMAS BLESSING BAGS

Every Christmas (*since 2014*), The LOT Project, Inc. distributes “Blessing Bags” to the homeless population in Baton Rouge and we always need help to make this happen! To fill these bags, we need to collect 200 of each item listed below. You don’t have to donate all 200 of an item in order to participate, so when you sign up just let us know how many you can commit to! Hygiene items should be travel/hotel size. Please let us know which items you, your class, your church, your team, your group, your family, or your workplace would like to donate so we can cross them off the list!
